MESSAGE FROM THE CHAIRPERSON

Dear Parents,

I am writing to you at the start of the new school year to let you know about the work that the Parents Association of this school do to assist the staff here to provide our children with the best possible educational experience.

The Parents Association hold an AGM every October and every parent in the school is invited. At this meeting we form a committee of interested parents and from this group the officers of the Association are elected. This year's AGM will be held on next Wednesday night at 8.00pm in the school.

After the AGM we meet approximately once a month to plan our activities.

Every cent of any money raised is used to enhance our children's education and to assist us as parents. Last year alone we raised the Funds to enable the staff here to set up a very good value Book Rental Scheme. We purchased iPads for the senior classes. We helped to pay for the new flooring in the Halla. We organised some fantastic community events, like the Bazaar and the Bingo night.

We hope to publish this newsletter once a term to let you know well in advance about the activities we have planned. We realise that we are living in difficult times so we hope that by letting people know what's coming up it will help them to plan ahead. We ask you to read on and to keep this newsletter for reference during the coming term. We thank you for your on-going support.

With kind regards

Alkison Kelleher
