Dear Parents/Guardians,

Pupil Personal Accident Insurance:

Since we introduced Pupil Personal Accident insurance in recent years the feedback has been very positive from those parents who availed of it. The school Insurance company Allianz offers a pupil insurance scheme to parents through their primary school. This enables parents to take out insurance for your child through the school so that medical bills associated with an accident could be recompensed through the insurance scheme, depending on the option you choose. There are 2 options for you to choose from – one is a school activities only cover and the other is a 24 hour any activity cover. The options are explained here:

School Activities cover: any activity usual to a School which is carried out with the full knowledge and authority of and under the control of the Board of Management including direct travel to and from such activities. ***Fee for the year is €6.***

24 hour cover: The pupil is covered 24 hours a day, for school activities, home activities, social and leisure activities (including during school holidays). ***Fee for the year is €9.***

If interested, please complete the form attached and return to the school, with your payment and we will arrange the cover for your child here in school.

Please complete the form and return to your child's class teacher by Friday, September 13th.

Le dea-mhéin,

Aodán Ó'Briain,
Príomh Oide.
