Dear Parents,

Our website is a very effective means of communicating school activities, goals and achievements to you. We are working on making our website more accessible for parents particularly through the content of the “Parents” section. We would be very grateful if you could take a minute to tell us what type of information you would like to see in the “Parents” section of our website. **Please complete the form and return to your child’s teacher by Friday, October 4th.**

As a parent I would like to see the following information in the “Parents” section of the school website:
