

# Scoil Oilibhéir

## **School Closure Memo 5:**

Hello to all of our parents and boys and girls from everybody in Scoil Oilibhéir. We hope you and your loved ones are keeping well and safe at this time. Well done to all of our parents and the buachaillí agus cailíní for being so brilliant with the school work on Seesaw. Your teachers are so impressed by your creativity and hard work!

### **To our Boys & Girls:**

All of your teachers and SNAs are missing seeing you each day and I know that you are missing them also. I also know that you are missing being with your friends in school. Your parents are doing a terrific job in helping you through these times. But these times will come to an end and if everybody continues to play their part and follows the HSE advice, we will be able to return to Scoil Oilibhéir before too long.

So, a bhuachaillí agus a chailíní, in true Scoil Oilibhéir spirit, I want you all to stay positive and happy, to keep working on Seesaw as often as you can, to keep helping mum and dad at home by being very good and respectful. Being kind to everybody living in your house is also something that I know I can depend on you to do. Keep active, read every day, take on a project in your back garden – growing vegetables or building something. Remember that there is plenty of learning in everyday activities.

### **To our Parents:**

Thank you for helping your children at this time and for helping us to support them. I want to reassure you that everybody in Scoil Oilibhéir will continue to do everything we can to engage with you and your children to maintain an educational focus in the time ahead. We will expand on the subject areas we cover in Seesaw work in the coming weeks, but we will keep the daily workload largely the same as we do not want to put unnecessary pressure on households where devices are shared and parents are working from home. We will put a translator button on our website for those parents for whom English is not a first language next week to help you to fully understand our messages to parents. Please feel free to contact me on [parents@scoiloilibheir.ie](mailto:parents@scoiloilibheir.ie) if you have a query or concern, or if you feel we can help you in any way during this school closure.

Wishing you all a nice weekend in the fine weather and stay safe.

Le dea-mhéin,

*Aiden O'Brien,*

Principal.
