SCHOOL CLOSURE MEMO 7

Dear Parents,

I hope you and your families had a nice long weekend and enjoyed the break from school work yesterday!

You will have heard on Friday from the Taoiseach, Leo Varadkar, that primary schools will remain closed for the remainder of this school year. While this is disappointing news for everyone in Scoil Oilibhéir, I think we all realise that it is for the best and it supports the drive to keep all members of society safe and healthy. I know that the buachaillí and cailíní of Scoil Oilibhéir will continue to play their part in the next 8 weeks by being very good for mum and dad at home, by working to the best of their ability on Seesaw and by following the 3R's (Respect, Responsibility & Reaction) in everything that they do.

Teachers have planned curriculum work for Seesaw until the end of the school year and they are collaborating regularly each week, to ensure that the work posted for your children is covering the main areas of literacy, numeracy and Gaeilge. They will expand to cover other subject areas in the coming weeks.

I would like to hear from you about how you and your child are finding the online learning experience. I would be very grateful if you could answer the following questions in an email to parents@scoiloilibheir.ie. Please include your child's name and class teacher in the subject line of your reply.

1. Have you adequate IT equipment/broadband capacity to enable you and your child to engage effectively with Seesaw?
2. What are the challenges you have faced with online schoolwork?
3. What suggestions would you like to make to the school at this time?

Thank you for your feedback and support.

Le dea-mhéin,

Principal.
