

SCHOOL CLOSURE MEMO 12

Booklists & Book Rental FOR 2020/21

Dear Parents,

Our booklists for the coming school year are now available for you to view on our website, www.scoilolibheir.ie, under "Parent Information During School Closures".

As you know we usually invite you to the school hall each June to purchase your books and other supplies for September. High Street Books are our school book suppliers and because of the school closure they are facilitating parents with an online school book purchase and delivery service. We have sent them our booklists so all you have to do to is follow these steps:

- Visit High Street Books website – <https://hsb.ie/>
- Select Scoil Oilibhéir
- Select the class your child will be in for 2020/21
- Choose the books, add them to the cart & checkout
- High Street Books will ship the order directly to your home with no delivery charge

Please note that you will see the book rental information for your child on the booklist also. The book rental cost for each class level for the coming school year is listed on the booklists. We will be arranging book rental once the school opens in September, so you will receive more information at that time.

Le dea-mhéin,

Principal.
